The screenshot displays the Amazon website interface. The top navigation bar includes the Amazon logo, a search bar, and a language selector set to Spanish. Below the navigation bar, a large banner titled "Favoritos de cocina" (Kitchen Favorites) is visible, featuring a carousel of kitchen items. The carousel includes sections for "Accesorios para juegos" (Gaming Accessories) with headphones and keyboards, and "Juguetes por menos de USD 30" (Toys for less than USD 30) with a child playing with colorful toys. A DevTools console window is open on the right side of the browser, showing the HTML structure of the carousel. The console displays the following HTML code:
